

Design pack

With **Design pack** and **Design pack +**, you get custom-designed screen layouts that enhance your brand. When your screens reflect your brand identity and values, it becomes easier to engage employees, visitors, and customers.

Together with you, we will create ready-to-use layouts based on your needs, seamlessly applied to your screens. All you have to do is add your content—our experienced designers, with over 10 years of expertise, make sure everything is set up and ready to go.

Within 7 days, we deliver 4 layouts (6 for design pack +) and you hold the rights to the layout once it is approved. **Order by sending an email to cs@playipp.com.**
